Polly Products Funnell Heavy-weight Ballistic T/O

£95.00

A tough durable rug. 12oz filling and a cotton lining, features include shoulder gussets and a fully adjustable twin strapped front, optional neck cover. Bright blue with navy binding, 4'9" to 7'. Contact Polly Products on 01636 636 135, www.pollyproducts.co.uk

Comments: This rug is a great fit. There are plenty of pleats to allow the shoulders to move and I loved the generous tail flap. I tested a 6'9" which could be comparable in size to 6'6" in other brands. The front of the rug fastened with quick release clips but had buckles to allow it to be adjusted.

Shires Winter Typhoon

RRP: from £77.90

• ShireTex™ 1200 Denier • Waterproof • Breathable • Rip-stop • Reinforced surcingle slots • 350g filling • Nylon Lining. Sizes: 45"-87". Colours: Navy with Pale Blue Overcheck, Olive with Cerise Overcheck. www.shires-equestrian.co.uk

Comments: All the nice features I prefer – seamless back to prevent leaks, tail flap and didn't slip. The front fastenings are easy to do but tough with tonnes of adjustment for chunky horses and ponies. Come with a spare swatch of material for mishaps!
