Smart-looking well-made rug. Fitted well and tough-wearing lightweight rug. I liked the buckle and clip adjustments at the front of the rug.

Well-fitting lightweight rug. I tested on a large horse and found the shoulder darts – sometimes a problem – to be very generous.

### JHL Lightweight Turnout Rug

Manufactured in 600 denier ripstop polyester, the rug has a dark mesh lining with nylon anti-rub shoulders. The design includes double quick release breast fastenings, cross surcingles, leg straps and tail flap. Matching rugs and accessories are available in the grey/pink colourway.

Sizes: 4'6" to 7' Colours: green/red or grey/pink

Price: £44.95 (neck cover £25.95)

Well made, good value mid price range rug. I liked the mesh lining, as I would worry less if the rug was left on a warm day when it might rain. The front buckles are adjustable which is useful and the fittings are of high quality.
