LR Comment

This is a great value, smart looking riding hat. I found it very comfortable to wear and liked the handy carry case.

Just Togs JTE XR9

The JTE XR9 is an extremely low profile light weight ventilated helmet. It is finished in micro fibre suede and is material treated to reduce wear. The rounded brim is very flattering and fits closely to your face. It is easy to wear as the headband is super soft and very comfortable.

- The JTE Switch XR9 conforms to safety standards EN1384, PAS 015 and carries the BSI Kitemark.

Sizes 52 cm to 61 cm
Colours Black

RRP: £95.00

LR Comment

This is a very smart hat with ventilated panel. The harness is soft suede effect, which was comfortable to wear and easy to adjust.

Mountain Horse Legend Expedition Hat

What the Swedes don't know about keeping warm isn't worth knowing and this hat is testament to that. It's waterproof with imitation fur lining and ear flaps. An adjustable chin strap gives a snug fit and keeps the winter wind out. Matching scarf available.

Size/colour brown only and one size only

RRP: £18.99

The ultimate cold weather hat. I like the way the hat can be secured under the chin to stop it blowing away. Highly recommended.

Musto Fleece Beanie

Musto's reversible Fleece Beanie will keep you warm in style. Made from anti-pilling polyester fleece, it has contrasting colour trim in Lycra and can be teamed with a matching reversible Fleece Scarf.
