

## Spillers Happy Hoof

Any horse or pony can be susceptible to Laminitis. Spring grass and starch contained in cereals can both put your pony at risk. Spillers Happy Hoof is the original complete chopped fibre feed to be approved by the Laminitis Trust and is low in calories, sugar and starch. Spillers have 10 vouchers for Happy Hoof to be won.

10 to be won! 10 to be won!

t!

To be in with a chance of winning, fill in the form and send it to the usual PONY address!

Closing date?  
April 30th  
2008!

## Horse book

This beautiful hardback book is by award-winning author Malachy Doyle. It follows one little foal's development from learning to stand on his spindly legs to galloping around his paddock. If you love ponies, you'll love this!
