HorseLife is a brilliant new Nintendo DS game, endorsed by John Whitaker. You can choose from a selection of breed types, plus you get to decide on the colour and markings of your very own horse. (We tried this

- What great fun. Very addictive and also annoying, especially when the horse won't do as it should. Very easy to understand, but the narrator gets a bit irritating at times. One for every DS owner who loves horses.) RRP £99.99. 01706 340500
