Dear Customer,

Polly Products Acquires Tagg Clothing Company

It is with great pleasure that I write to you to inform you we have purchased the assets and business of Tagg Clothing from Tagg Clothing Co. Ltd. Existing customers will know that we have been expanding our existing product ranges and this purchase fills a gap in our product portfolio.

Many of you will be existing customers of Tagg Clothing and will know that the business has built a strong reputation for high quality clothing within the equestrian market. We will be looking to build on this reputation and believe that the addition of the Tagg range will strengthen our offering substantially.

The business will continue to trade under the Tagg Clothing name, and I would be grateful if you could update your contact details accordingly:
