Lightweight security

PERFECT for the hunting season, this Jeffries Flyover saddle keeps riders safe and secure in the saddle. Weighing less than five kilos, it is made from Pittards WR100 water-resistant leather and features long girth straps requiring a dressage girth.

The Flyover comes in Havana and is available in two versions – with slim foam panels for lightness or flock panels for greater moulding – each in sizes 17, 18 and 19in, with narrow, medium or wide fittings and an RRP of £1,050.
